

Blue Ridge Gymnastics Covid 19 gym protocols

Please arrive 5 to 10 minutes early with a bag for your gymnast's personal items including a water bottle and hand sanitizer that they will keep with them.

Gymnasts should be dressed for class and ready to participate. Bathrooms will be used for hand washing and for emergencies only. Water fountain and cubbies will not be in use.

Please wait with your gymnast outside the building until you are invited in.

Gymnasts will wash their hands and then sit in a designated area. Gymnasts will keep their personal belongings with them. **Please do not bring your child if anyone in your family has tested positive or is running a fever, coughing or in any way feeling ill. This is imperative to keep our gymnasts and staff virus free.**

All persons entering the gym will have their temperature checked. Parents will be asked to sign a health questionnaire when they drop their child at the gym door

Parents should wear face coverings and are asked not to remain in the building during class. Preschool parents may be asked to stay to help with social distancing , if needed. Thank you for understanding.

Children will be using hand sanitizer after each event and equipment will be sanitized on a regular basis.

We are delighted to have you back and look forward to teaching your gymnast in a safe, clean and FUN environment!

Any questions don't hesitate to call the gym office @ 276-666-1001
